WARNING: Roblox decals seem to be buggy on the website, so if an image seems blank or whited out, that is only on the site. In studio it is normal.

UPDATE 08/21/2021

hi, so im on indefinite hiatus from roblox, if you ever need to contact me for any reason regarding these faces, i set up a new roblox email (robloxmors@gmail.com), thanks. ill check on it here and there.

GENERAL RULES as of (05/06/2022)

- DO NOT USE THESE DECALS FOR ANYTHING OF THIS NATURE:
 - TRANSPHOBIC, HOMOPHOBIC, RACIST, ETC
 - RR34 / NSFW CREATIONS!!!! FOR THE LOVE OF GOD STOP
- Please give credit to me (use @rbloxmors, please use only that twitter, not my main account) especially if used in anything public! Or if crediting on Roblox, just use my username (morscore).
- You don't have to directly @ me with the credit, just put it somewhere.
- It is ok to edit these faces! Just continue to follow these rules with them (don't claim as own, credit me, etc).
- Do not claim these as your own, even if you have edited them.
- Anything commercial with these faces (commission work, etc) is fine without paying me for any permission as long as it adheres to my rules***. Do consider tipping me via Ko-Fi or Gumroad (links above) if you use these frequently though.
Once again, I do not allow people to use my work for NSFW/RR34 content, THAT INCLUDES NSFW/RR34 COMMISSIONS/COMMERCIAL PROJECTS.
***However, as of 05/06/2022 if a Roblox/Jazwares toy or other IRL merchandise is created using my faces, please contact me first. When it comes to creators using my faces for projects commercially, I still stand by my original rules, but when it comes to mass produced physical items, please contact me first. My email is listed above.
- Please understand I do not take direct, specific requests, nor commissions (at the moment). I will take suggestions anytime, however.

- Don't be afraid to ask me anything, I may be slow at replying, but I'll get there (I'm also way more friendly than how I'm typing this document lol).
